Monthly Bank Draft Information

- When selecting the monthly draft payment option, the first month's prorated payment is due at time of registration.
- Monthly draft may be drafted on the 5th or 20th of each month.
- A 30-day notice is required before discontinuing or changing monthly drafts.
- If a monthly draft is returned for any reason, the member must pay the \$20 service charge in addition to the monthly fee.

I give authority to the above named bank to honor both preauthorized checks or drafts by the Palestine YMCA on my account for membership payments as indicated above. It is understood that the YMCA sending of a preauthorized check or draft to the bank as a payment becomes due shall constitute valid notice of such payment due on this membership. When the bank honors the check or draft by charging my account, such check or draft shall constitute my receipt for the payment. Should any preauthorized check or draft not be honored by said bank when received by the above bank, I will remain liable for such payment and shall immediately pay to the Palestine YMCA such amount in addition to the \$20 NSF fee.

1. Y bank draft is a continuous membership plan. I understand that this membership will remain in effect for as long as I retain the membership card issued to me.
2. It is my complete understanding that if I wish to terminate or change my membership in any way, I must give the Palestine YMCA a 30-day written notice. If I terminate, I understand that I must turn in all of my membership cards.
3. The YMCA Board of Directors may at their discretion adjust the monthly rate applicable to my membership. I understand that I will receive at least 30 days notice prior to any such change.
4. Should any membership draft not be honored by my bank for any reason, I realize that I still am responsible for that payment plus a \$20 NSF service charge payable in cash.
5. Membership cards remain the property of the YMCA and must be surrendered upon the demand of that institution.

I have read, understand and agree to all terms and information and hereby confirm that all information is correct.
